#### Main Background

In 1992, Yaroad Clothing started up from a rented plant in downtown area of Quanzhou city.  
 In 2009, we bought a land of 6000 square meters and relocated to a mountain town almost 70 kilometers away from original site.  
 In 2016, we start to involve the global business and establish our oversea sales department.

#### Key management person

Mr Xie Weiqiang and Ms Yang Juhua are the directors of the company and chairman of the group.  
 Both of them has more than 30 years of experience in the garment manufacturing area and is well-versed with the entire production process and its management. They handle the day-to-day affairs of the company and the group.

#### Company information

Yaroad clothing is a high, fully valued manufacturer and exporter of whole clothing.  
 Employees total 700 in both office and factory. Total production space covers 18,000 square meters.  
 We have a monthly production capacity of about 100,000 pieces of high quality garments manufactured for export.

#### Main Product Line

Yaroad is a OEM clothing manufacturing expert. The company specializes in high quality garment manufacture and export with wide range of products :hoodie, T-shirt, shorts, tank top, coat, dress, etc. Fabric includes: silk, cotton, linen, polyester, wool, viscose etc, are made available in China or through a network supplier in all over the world.

#### Proven Expertise in Clothing Manufacturing

Our clothing manufacturing factory has about 1800 sets of sewing machines, 550 automatic sewing and knitted machines, more than 20 other dedicated facilities. 20 super designers and more than 700 skilled workers to make the clothing for global customers. We have strong production capacity with 120 million sets annual production output. Our clothing production factories work in accordance with the requirements of social audits such as BSCI, ISO9001, WRAP and Sedex.
